

Are You True Blue?

We know your customers demand a dependable vehicle wash or they aren't coming back.

CAT PUMPS offers a full range of high performance vehicle wash pumps that won't let you down!

- High flow pumps for large full-service conveyor wash systems
- Mid-range pumps for rollover automatic wash systems
- Smaller pumps for self-service, prep and detailing

Select the CAT PUMP that is best for your type of vehicle wash.

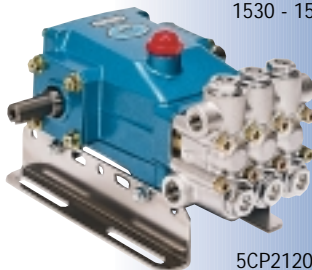

Be **true blue** and take your vehicle wash to a new level of dependability.
